6TH MARCH-2017

The 'A' and 'AS' level program:

It is for general information of the parents and guardians that due to some queries from concerned parents regarding the re-starting of the above mentioned program at LICEF School, the school wishes to announce that possibility of this program to be re-started can be positive if parents and pupils show eagerness in completing this course after starting it. LICEF had shelved this program due to some pupils dropping out after ONE TERM or after ONE YEAR.

If parents and pupils are ready to support this program continuously, then LICEF School can start the program from 3rd May – 2017 onwards.

The subjects on offer are as follows: **(Only Four)**
